

Dear Families,

My name is Sarah Mitchell and I am so excited to be teaching your children at Lake Harriet United Methodist Preschool. I graduated from St. Olaf College with a major in English before deciding to pursue a career in education. I went on to receive my Master of Arts in teaching from the University of St. Thomas and taught elementary school in Wayzata for 5 years before having children. At that point I left teaching to stay home with our kids. I taught the Nifty Numbers enrichment class at LHUMP before joining the preschool staff last year and am glad to be back again this year.

I live in southwest Minneapolis with my husband, our three children and our chocolate lab, Odin. All three of our kids are graduates of Lake Harriet UM Preschool so I have a lot of great memories here. In my spare time I love taking walks and biking around Lake Harriet and near the creek, traveling, cooking, spending time with family and friends and watching my kids play and participate in sports.

I am excited to be a part of your child's education. This is such an important time in a child's development and education and I am honored to be a part of it! I look forward to a great year.
