

May News

Happy May! It is hard to believe we are in the home stretch of the school year! While five weeks may seem like a lot, it is going to fly by!

Learning Themes- Spring/Summer, Bodies, Minnesota

With the late departure of snow, it feels like we are just getting to Spring! We'll continue with a few more Spring activities leading up to our program before we take a student-choice week to learn about our bodies. We'll finish up the year with activities related to summer in Minnesota and the many things that we love about our state! Hopefully this final unit will help you and your children learn about things to explore in our community this summer- parks, museums, etc. We will finish with a field trip to our local trolley near the Lake Harriet Bandshell. It will be a fun way to wrap up the year.

Woodworking- A big thanks!

Thank you to Soren Bijnagte and Todd Howard for coming in to do woodworking with the students! The kids loved this and I was impressed by their creations.

May/June Dates

May 3- Spring Program @ 5 pm

May 28- No School- Memorial Day

May 30- Trolley Field Trip

May 31- Picnic/Ice Cream Social- Last Day!

As always, feel free to contact me with questions, concerns or updates.
