

Dear Families,

My name is Sarah Mitchell and I am so excited to be teaching your children at Lake Harriet United Methodist Preschool. I graduated from St. Olaf College with a major in English before deciding to pursue a career in education. I went on to receive my Master of Arts in teaching from the University of St. Thomas and taught elementary school in Wayzata for 5 years before having children. At that point I left teaching to stay home with our kids. I taught the Nifty Numbers enrichment class at LHUMP before joining the preschool staff two years ago.

I live in southwest Minneapolis with my husband, two of our three children and our chocolate lab, Odin. Our oldest daughter started college this fall so we have happily launched one of our birds from the nest. All three of our kids are graduates of Lake Harriet UM Preschool so I have a lot of great memories here. In my spare time I love taking walks and biking around Lake Harriet and near the creek, traveling, cooking, spending time with family and friends and watching my kids play and participate in sports and theater.

I am excited to be a part of your child's education. This is such an important time in a child's development and education and I am honored to be a part of it! I look forward to a great year.
