

Mrs. Schubloom's Preschool News

(April 2018)

What a treat it was to meet with all of you at conferences. Thank you all for attending. It was nice to have the opportunity to talk about your children. I have seen such growth in all of them throughout the year!

April's Learning Themes:

(SUPER SAFARI) We will begin the month by going on an African safari. We will grab our binoculars and visit the great plains of Tanzania and Kenya, the arid desert of Namibia and the sprawling South African veld. Not only will we learn about the animals and their habitats but we will learn about the diverse cultures and people who live in each African region above.

(SPRING HAS SPRUNG!) At the end of the month (and into May) we will become "mini-scientists" and explore the many wonderful changes that are taking place right outside our windows. We will focus on changes in the weather, in seed growth, and in the nature that surrounds us. We will also be getting caterpillars at the end of the month. It will be fun to observe and record their many changes too! Along with all of this, we will be preparing to sing some songs for you at the Spring Program. As you can see, we have a fun and busy month ahead.

Spring Program/Family Fun Pizza Night:

Mark your calendars for Thursday, May 3rd for our Spring Program. We've been working hard and hope to share some of our favorite songs with you that night. Please drop your child off in the classroom at 4:45 PM and head to the church sanctuary to find a seat for the 5:00 PM concert. Immediately following the concert will be our Family Fun Pizza night! There will be a pizza dinner (served by the teachers☺), entertainment and lots of great preschool families to have fun with! All family members are invited. There will be a sign-up sheet available, so please let us know how many will attend (please sign even if you are unable to attend as it lets us know how much pizza to order for the night). Thanks!

Game Day:

On Tuesday, April 17th, we will be playing different board games with our friends in Mrs. Jordan's class. We will practice taking turns, sharing and cooperating with our friends that day! Please let me know if you are interested in helping facilitate one of the games. We will begin at 9:15 AM and finish around 10:00 AM.

Letter of the Week:

Week of April 9th - L, l
Week of April 16th - U, u
Week of April 23rd - J, j
Week of April 30th - X, x

Family Survey:

Please keep an eye out for a family survey that will come home with your child this month. It is part of our on-going national reaccreditation process and your opinion matters! We use the findings from this survey to evaluate our program and to set our goals. The results of this survey will be sent home in May. We hope to have 100% participation with each family providing their feedback. Thanks!

Dates to Remember:

- April 1- Happy Birthday Graham!!!
- April 2-5- Spring Break
- April 9- Preschool Resumes
- April 10- T-Shirt Tuesday
(wear green preschool t-shirt to school)
- April 12- Coffee Orders & Book Orders Due
