

Mrs. Schubloom's Preschool News

December 2017

What a treat it was to meet with each of you at conferences. Thanks to all who were able to attend. It's always nice to have the opportunity to meet and talk about your child!

December Learning Theme:

Senses of the Season and Family Traditions-

The holiday season is upon us! This means excitement is in the air! Many of the children have expressed some of the changes this season brings in their homes. Some have talked about putting up a tree, hanging lights, baking cookies, playing special games, watching a special show, etc. Over the next couple of weeks, we will talk about and do activities that relate to specific family traditions and celebrations around our world. Please let me know if there is a celebration or tradition that your family observes- I would be happy to incorporate it into this month's theme. We will end our theme with a Lake Harriet Preschool tradition- gingerbread day☺ We will be decorating gingerbread houses with our friends in Mrs. Mitchell's class on December 21st. It will be a fun ending to a great start of our preschool year!

Letter/Sound of the Week:

We have been having fun building our "letter of the week" boards at preschool. The children are really good at thinking up words that begin with the letter/sound that we are working on each week!

December's letters and dates are below:

Week of December 4th D, d

Week of December 11th F, f

Week of December 18th C, c

Volunteer Opportunities:

Woodworking- We will be doing woodworking on Tuesday, December 5th. A big thank you to Hope (Olivia's dad) and Sasha (Sadie's mom) who will be helping each child build a wood project using a hammer, nails, glue and their imaginations☺ Year after year, woodworking is one of the children's favorite things to do at preschool!
