## (May 2018)

What a great year this has been! I can't believe it is already May. Where does the time go? It has been such a pleasure being your child's preschool teacher this year. I have enjoyed watching each child mature and grow- not only physically but emotionally and socially as well. I have seen many friendships blossom this year and I hope you continue to keep them growing throughout the summer. Thank you for sharing your child with me!

### May Learning Themes:

**Spring Has Sprung-** We will take some time to learn a little about the science behind the changes that are **finally** happening this spring☺ We will focus on changes in the weather, in seed growth, and in the nature that surrounds us. We have begun to observe the tiny caterpillars that are now in our classroom. It will be fun to watch them change into butterflies right before our eyes!

**Memory Books-** During the last two weeks of preschool, we will be making memory books of some of our favorite highlights throughout the past nine months. It will be great to look back and remember all of the fun we had during our great preschool year!!!

### Spring Program/Family Fun Pizza Night:

I hope you're able to make our Spring Program this Thursday night (5/3). We've been working hard and hope to share some of our favorite songs with you! Please drop your child off in the classroom at 4:45 PM and head to the sanctuary to find a seat for the 5:00 PM concert. Immediately following the concert will be our family fun pizza night! There will be a pizza dinner (served by the teachers☺), entertainment and lots of great preschool families to have fun with! All family members are invited.

### Picnic Lunch & Ice Cream Celebration:

Come and join us on the last day of preschool to celebrate a great preschool year! On Thursday, May 31<sup>st</sup> we will have a family picnic lunch and our annual ice cream social (rain or shine). Come for a picnic lunch with your child from 12:00 pm - 12:30 pm. Following will be our annual Ice Cream Social from 12:30 pm - 1:00 pm. If you are unable to come for the picnic lunch, please be sure to make it for the final good-bye and ice cream social. It is a good way to put closure to a great preschool year. All are invited (mom, dad, grandma, grandpa, and siblings). I hope to see you there!

### Volunteers:

I want to give a big **thanks** again to all of the moms, dads, grandmas, and grandpas who volunteered their time throughout the preschool year. I so appreciated it and I couldn't have done it without you!!!

### Letter/Sound of the Week:

We have gone through all of the letters/sounds of the alphabet. What fun we have had making our "letter of the week" boards! Thank you for helping your child find words that began with the letter/sound we were working on! They were so proud to come in with words to write on our "letter/sound board". The school/home connection is a powerful educational tool for both you and your child- thanks again for your support☺

### Junior Teacher:

April was our last month of "Junior Teacher" time. I can't express how amazing each child was when it was their turn to be the "Junior Teacher". It was so much fun to see how confident and proud each child was when teaching others how to do something. Thank you for taking the time to help your child prepare for his/her special "Junior Teacher" sharing day!
