

DEAR PARENTS,

Welcome to a new school year! I am so excited to have your child in my class! My name is Suzy Schubloom and I have been a teacher at Lake Harriet UM Preschool for twelve years.

Teaching is an absolute passion of mine! Every year is different and they are always full of fun, learning and lots of new adventures. I can't wait to see what this year will bring 😊

I thought you might like to know a little bit about me...

I have a Bachelor of Arts degree from the College of St. Benedict. I double majored in Elementary Education and Early Childhood Education. Once graduated, I taught kindergarten in the Mounds View School District for five years. I decided to stay home when we had our first child but I knew one day (when the time was right) I would return to teaching.

I've been married to my wonderful husband (Darcy) for 26 years! We have a delightful daughter (Anna) who graduated from Drake University last May and started her career in Dallas working for a PR Firm. Some of my hobbies (besides visiting Dallas quite frequently 😊) are hiking, biking, skiing, cooking, reading, and having lots of fun with family and friends.

I absolutely love teaching at Lake Harriet UM Preschool! It is my mission to instill a love for learning in my young students. I try to teach with excitement and passion so each child will develop a desire to become a life-long learner.

Please let me know if you ever have any questions or concerns. It is so important to keep communication open between us. Please call, email or text whenever you feel the need.

I look forward to a great year together!

Suzy Schubloom
