We will spend time talking about plants and seeds. We will be planting, watering and watching things grow. We will learn the parts of a plant as well as what seeds need to grow.

Our caterpillars are here, we will be observing and learning about the life cycle of a butterfly. We will be releasing our butterflies the last week of preschool. We are learning how to tell time and the value of coins and bills. Please send (in a ziplock bag) a total of \$1.00 on Tuesday May 8<sup>th</sup>. Be creative, as we will talk about the many ways to make a dollar. I will return the money on Thursday.

We are going on a fieldtrip to the trolley the last week of school.

### Walk around the alphabet

We will focus on the letters Uu, Jj & Xx. What does the letter sound like and what words start with the letter?
