Nov. 15th - Thursday
Charlie Brown's Thanksgiving
with all classes

Nov. 19th - Nov. 22nd
Pre-school closed

Nov. 22rd - Happy
Thanksgiving

Walking through the alphabet

We will be learning the alphabet throughout the year. We will look for the letters in our classroom, in books and magazines as well as talking about how each letter sounds. We will focus on words that begin with the letter we are working on. This month we will focus on the letters B, K and D.

STEM (Science, Technology, Engineering, Math)

There is a sign up by the door for anyone that wants to show their friends an activity. Let me know what they want to teach their friends and send directions along with the needed materials. I will help them explain the activity.

Show & Tell / Sharing Day

Wednesday, November 14th will be our next show & tell day. Since our letters of the month are B, K and D please have your child bring something that starts with an B, K or D. We will talk about the name of what they brought and how the letter sounds. Show & tell is once a month, usually on the 2nd Wednesday of the month.

Shape book

We will be making a book about shapes. I will send a note home about the project. The children can pick any shape they want, find objects that are that shape, cut them out and glue them onto a piece of paper. (8 ½ x 11). Please return your page when done, but no later than Wednesday Nov. 7th.

Corduroy

Corduroy has started his adventures with our classmates. So far he has been to Cora, Ames, Evan and Phoenix's houses and it sounds like he is having fun. Corduroy comes to your house for a weekend to stay with you, have fun and don't forget to take him with you on any adventures you may go on. I will give you a page that you can draw or put a picture on and then tell a little about what Corduroy did with your family. Have fun.

Dramatic Play - Grocery Store

Beginning Thursday, Nov. 1st our dramatic play area will become a "Grocery Store". Please bring a couple of non-perishable food items for the children to use in the store, (no glass please). We will talk about food shelves and donate the food to a local food shelf when we are done. Some old grocery receipts for the store would be great too. The children will get a chance to pretend to be a customer, cashier, bagger or stock worker.

Charlie Brown's Thanksgiving

On Thursday, Nov. 15th we will be having a Charlie Brown Thanksgiving with all the other classes. Everyone will be contributing to our feast. There will be a note by the door to pick something to bring, Charlie Brown had an interesting feast as you can see by what the choices are.

Thank You

- Thanks to Mary (Evelyn's mom) & Kelly (Cora's mom) for being chaperones on our fieldtrip to the Children's Theater.
- Thanks to Mary (Evelyn's mom) & Christi (Phoenix's mom) for helping with woodworking. The children had a great time and were very proud of the creations they made.
- Thanks to Mary (Evelyn's mom) for teaching us about how she became an engineer and what she has made.

Be sure to let me know if you have any questions,
Mrs Jordan
