

Dear Parents,

Welcome to Lake Harriet Preschool. I am sure you and your child have been anxiously waiting for this exciting time. I am excited to meet you and your child at your home visit. The home visit will last about 20 minutes. Be sure to check out the schools website at lakeharrietumpreschool.org. Please check under the current families tab and read all the home visit material before I come to your house for the home visit. The home visit is a time for your child, myself, and you to get to know and feel comfortable with each other. Your child may want to show me their favorite toy, bedroom or playroom. Before I come to your house for a visit, I would like to take a moment to introduce myself.

My name is Sue Jordan and I'm delighted to be your child's preschool teacher this year. I am looking forward to another exciting year teaching at Lake Harriet Preschool. My educational background includes a Bachelor of Arts degree in Child Psychology from the University of Minnesota and a preschool teaching license from the State of Minnesota.

I live in Edina with my husband Mark. Our daughter Amy and fiancé Josh live in Madison, WI and we are so excited for their wedding this October. Our son, Michael, graduated from the University of North Dakota and is working, saving money so he can move out. This will be another changing year for us, I enjoy spending time with my family, friends and I like to read when I have time.

I am looking forward to working with you to make this year a positive experience for your child. If you have any questions, comments, or concerns please contact me; my email address is sjordan@lakeharrietumpreschool.org. I look forward to meeting you and your child at your home. See you then!
Sincerely,

Sue Jordan (952) 926-9365 (home)
