Lake Harriet Preschool

Welcome back! I hope your family had a wonderful Spring Break.

Themes for April

-  Spring
-  Farms
-  Food
-  Earth Day
-  Oceans

Conferences

Thank you for coming in to discuss your child's progress. It has been a pleasure to work with you and your child this year!

Letters of the Alphabet

We have been busy exploring letters of the alphabet throughout the year. We have explored the names and sounds of the letters by using multiple activities in our classroom. Continue to help your child at home by identifying letters you see together. Also, help your child practice writing his/her name. In April we will focus on the letter names and sounds of li, Zz, Qq, and Vv. In May we will finish up the alphabet by learning Jj, Ll, Uu, and Xx.
