

CLASSROOM GOALS FOR ROOM 105

I would like to help each child...

1. Develop a positive attitude toward school and learning.
2. Bridge the separation between home and school.
3. Gain self-confidence and a positive self-image.
4. Develop self-control, initiative, and independence.
5. Develop problem-solving strategies.
6. Develop citizenship skills through modeling positive character traits.
7. Develop cognitive skills which will foster continued learning.
8. Learn to accept and follow directions and assume responsibilities.
9. Experience activities involving large and small motor skills.
10. Learn basic safety rules and good health practices.
11. Have fun!
