

Dear Parents,

Welcome to preschool - I am excited to be your child's teacher! My name is Donna Beebe and this will be my second year teaching at Lake Harriet UM Preschool.

My family recently returned to Minneapolis after living many years in Rochester, Minnesota. While in Rochester I taught kindergarten in the Rochester Public Schools. I am happy to be back in Minneapolis and given the opportunity to teach preschool.

I'm married and have two children. My daughter is attending graduate school and my son is working towards his undergraduate degree. I also have two furry children, a cat and a dog!

For fun - I like to spend time with my family and friends, read, hike, bike, kayak, watch movies, attend concerts and travel.

My goal as a teacher is to make learning fun and help children explore the world around them. Your child's success and well-being are my top priorities. I love teaching and look forward to a great year at Lake Harriet UM Preschool!
