

November Newsletter

Room 106

November is here and there is a chill in the air. The children have been working so hard and learning so many new things. We will start learning to write with a pencil and learn how to use a scissors. I notice that the children are beginning to recognize letters and the sounds that they make. We have been having so much fun with rhyming words as well!

Friendships are forming and imaginations are running wild. The children have so many wonderful ideas and are having such a great time playing in our dramatic play area. Ask your children to name the kids in our class and see if they can tell you what different activities we do in our room each day. They are really becoming more independent with their routine when they get to school. I am so proud of them!

As we continue with the “Letter of the Week”, talk with your kids about what letter we are learning and think of words that begin with that letter together. Also, ask your children to sing our classroom songs, such as the weather song and our clean up songs.

I will be having fall conferences on Tuesday, Nov 14th, Wednesday, Nov.15th and Thursday, Nov. 16th in the morning and early afternoon. If these dates will not work out for you, please let me know. The conference will be about 15 minutes in length. This is an optional conference. If you cannot attend, I will send my observation sheet home with your child.

The snack list for November and December will be posted outside our room and also on our website.

Dates to Remember...

Wednesday, November 1st - Show and Tell (1st Wednesday of each month)

November 14th-16th - Fall Conferences

Thursday, November 16th - Charlie Brown Thanksgiving—I will need volunteers...if you haven't already helped with an activity with our class, please let me know if you would like to help.

No School- **November 20-23-** Thanksgiving Break

Thank you to the parents that helped with woodworking and at our Halloween Party. This kids had so much fun!
