Lake Harriet UM Preschool annually publishes a Family Directory, Classroom lists, and other classroom related materials. We also photograph and video-tape our students. These items are distributed only to enrolled families and the staff. At no time is this information provided to any other person or group without specific permission from each individual family.

Permission to Publish

I give permission to Lake Harriet UM Preschool to publish the above information in the Family Directory and on class lists and for other related preschool activities. I understand that this information may be given to all the families enrolled in the preschool for the current school year.
