AUGUST 2017

Class Placement

Class placements for the 2017-2018 school year are finalized near the end of August. Thoughtful consideration of many factors takes place prior to final placement including age, gender, learning style, relationships with peers and teaching styles and strategies. We appreciate your cooperation with this process.

HOME VISITS

The Lake Harriet UM Preschool staff is looking forward to our home visits with each family. Your child's teacher will contact you by phone the first week in September and let you know the dates and times she will be available. These visits provide an opportunity to learn about your child's individual needs and ensure a smooth transition between home and school. While providing your child with an opportunity to connect with his/her teacher in a familiar environment – your home!

Old Friends/New Friends Open House

Please join us for a classroom open house Monday, **September 11th**. Please come to your child's classroom from 5:30 to 6:00. The open house provides an opportunity for preschoolers to see their classrooms before the first day of school and for preschool families to meet. We hope you will plan to attend!

First Day of School

Our first day of Preschool is
Tuesday, September 12th!

Enrollment Confirmation

The summer mailing includes a form confirming the information we have in your child's file and if any information is incomplete. Please be sure all of it is correct and notify us immediately if there are any errors. You may mail back the corrected and/or incomplete information or send it to us via email. The Health Care Summary / Immunization Record must be on file at the Preschool prior to the first day of school and must be signed by you and completed by your child's health care provider. Forms can be downloaded from our website. Thank you for ensuring your child's file is complete and accurate!

Lake Harriet Web Site & Email List

For over 15 years Lake Harriet UM Preschool has maintained a web site for families of currently enrolled students and for families of prospective students. Many of you accessed the site while looking for a Preschool for your child. Now that your child is enrolled, it becomes even more important for you to check the site on a regular basis.

On the website, you will be able to see the Preschool Calendar, Preschool News and Enrichment Class information. You can also download any Enrollment Forms that you need to have completed for your child's files.

Your child's teacher will post important classroom information on her Classroom Information page. Newsletters, Snack Schedules, Sharing Schedules and Volunteer Opportunities will be on the web site.

We will have information about Peace Coffee sales and other fundraising opportunities. We also have links to other schools in our area.

Occasionally we may post information related to a special event or an interesting item.

We update the site at least monthly, usually near the end of the month. We notify you by email that there is new information on the site.

Our monthly statements are emailed to each family. You may provide us with up to two email addresses and if you need a paper copy for any reason, please let us know.

If you do not have internet access or email, we post most of the same information at the Preschool and you may ask your child's teacher for paper copies of most items. We have noticed a huge reduction in paper usage, printing and copying costs allowing us to spend more of our budget on items that directly benefit the children while helping the environment.

Family Handbook

At your home visit prior to the start of school your child's teacher will provide you with a letter highlighting important policies covered in our Family Handbook. The Family Handbook can be downloaded from our website and paper copies are available in each classroom. Please be sure to look at the handbook and refer to it during the school year if you have policy questions.

The preschool has a facebook page. "Like us" to keep up on what's posted. We try to post interesting items we come across, occasionally a photo or two and updated preschool information. Find us at:
