

April 2024 Newsletter

Room 101 – Mrs. Beebe

Happy Spring! I hope you enjoy your spring break. Thank you again for participating in the spring conferences. It was fun to chat with you about all the wonderful things your child has been doing and learning.

April Learning Themes

Spring:

Spring is an exciting time of year in Minnesota! We will be discovering what changes occur during spring. This will include learning about seeds, flowers, vegetables, trees and gardens. We will incorporate fictional and informational literature and our own experiences when learning about spring.

Earth:

We will be learning about taking care of our Earth to coincide with Earth Day. We will explore ways to recycle, reuse and take care of plants.

Caterpillars & Butterflies:

A favorite activity we will do this spring is raise Painted Lady Butterflies from caterpillars! We will care for and carefully observe the life cycle of butterflies before releasing them into nature.

Volunteer Opportunity

Our class will be planting seeds on Tuesday, April 9, and would love a couple parents to help. We will plant seeds from 9:00-9:40am during playtime. Let me know if you are interested in helping.

Jr Teacher

What an amazing group of Jr Teachers we have had this year! Some of the lessons have included: learning to play new games, how to put a baby to bed, favorite books,

yoga, exercises, art and music! April will be the last month for Jr Teachers to present a lesson. 😊 We will have a different plan during the month of May.

Walking Through the Alphabet

April letters will be as follows:

Vv and Ll

Important Dates:

4/8 – School resumes

4/9 – LHUMP t-shirt day

4/9 – Planting seeds

4/11 – Family Fundraiser Pizza Party 5:30-6:30pm

Mark your calendar for May events
