Hello families! Thank you for making time to discuss your child's progress during our spring conferences. It has been my pleasure to work with your student and recognize the importance of discussing your child's ongoing development.

Important Dates

April 1st-4th: No school; LHUMP resumes on Monday, April 8th

April 9th: T-shirt Tuesday

April 11th @ 5:30: Family Fun Night!

May 2nd: Spring Sing!

April Learning Theme

Super Spring!

Our April learning theme will revolve around the environment and spring—baby animals and insects, Earth Day, and plants. We will observe caterpillars transforming into butterflies in our classroom! I love helping children explore nature, especially in Minnesota's changing seasons. We will explore outside as much as time allows.

Family Fun Night!

Please join the LHUMP community for a pizza and dance party from 5:30-6:30 PM on Thursday, April 11. This event was so loved last year and is a fantastic way to connect with the families in our classroom. Register with Ms. Wright, bring a blanket for your family to enjoy your dinner on, and show off your best dance moves!

Spring Sing!

Our annual spring sing will be held at in the Lake Harriet United Methodist Church sanctuary on May 2. Please invite your family, loving grownups, and caregivers to attend! Please look for more information to follow from Ms. Wright.
