April 2024

Winter was more like spring, and spring has been wintery. I'm hoping after break we will have more spring weather! This will allow us to do more outdoor exploration to find spring changes. We have lots of fun things planned for my 106 friends in April!

## April Learning Themes:

**Spring:** What are the signs of Spring? How does the weather change? These are questions we will ask and explore throughout the month of April.

**Earth Day/Recycling:** We will learn what Earth Day is, and how we can care for our environment.

**Gardens:** We will learn about seeds, what they need to grow, how to plant a garden, and the benefits of gardening! We'll do some hands-on planting in the classroom and watch how seeds grow and transform.

## Walking Through the Alphabet

We will continue our "walk through the alphabet." Through letter sounds, recognition, and projects we will continue to strengthen each child's pre-reading skills! We will also be working on our letter of the week pages. Please be sure to help your child think up words that begin with our letter of the week.

### April:

Week of April 8– Vv

Week of April 15 – Ll

Week of April 22 - Uu

Week of April 29 - Review

## Family Fun Night

On Thursday, April 11th, from 5:30-6:30, LHUMP families are invited to join us for our annual family FUNdraiser night! Cost is \$50 per family. We will have salad/pizza/dessert and a kid friendly DJ dance party!

**Weather Appropriate Outerwear:** It's hard to predict the weather this time of year. If there is snow on the ground please continue to send boots and snow pants each day. Once the snow melts it will still be chilly so please send a hat and gloves/mittens as well.

**Show and Share:** The April theme for sharing is games! When it is your student's turn to share, please have them choose and bring a game they like to play at home. Learning new games is a great way to practice taking turns, following game rules, and winning/losing. The game can be a card game, board game, or imagination game (charades, etc).

### **Important Dates**

4/8 - School resumes

4/9 - **TShirt Tuesday!** Wear your preschool shirt to school

4/11 - Family Fun Night

4/22 (week of) - caterpillars arrive for our classroom

### **Parent Volunteer Opportunities:**

I'm planning to have the students plant seeds in cups so we can watch them grow. I'd like to do it Wednesday, April 24th or Thursday, April 25th. I could use two helpers. If you are interested in helping please message me via BrightWheel and let me know.

**Communication:** If at any time you have questions or concerns, please message me through BrightWheel, email me at [jbomar@lakeharrietumpreschool.org](mailto:jbomar@lakeharrietumpreschool.org) or call/text my mobile phone (612)562-0616

**REMINDER!** Please be sure to check your student in and out every day via the BrightWheel app!
