Thank you for helping your children transition to Lake Harriet UM Preschool! The toddlers are doing a wonderful job adjusting to our classroom; we are settling into our routines and things are getting better every day. We are working hard on sitting in a chair while eating, drinking from a cup, and moving safely in the classroom.

As cooler weather approaches, please ensure your child is dressed appropriately to play outside and has several changes of seasonal clothing.

We are welcoming a new staff person, Kara Piatt, to help in the infant and toddler rooms. Ms. Kara comes to us with a wealth of experience and knowledge working with the “wobblers”. She is excited to be meeting all of your kiddos in the coming weeks.
