Room 202

Happy October room 202 families! The past three weeks have been absolutely wonderful. We have gotten to know each other, gotten used to our new classroom schedule, and are learning how to share and be a kind friend. I hope you, as parents, are getting comfortable with our routine as well. If there are ever any concerns or questions, please do not hesitate to talk to me.

Our month of October is filled with many exciting themes exploring the season of autumn; apples, leaves, spiders, Halloween, changing weather, and more.

Sharing Bag

When your child brings home the sharing bag, they can bring one item back the next school day to share at circle time (show and tell). The month of October will not have a theme, so they are able to bring any appropriate item that fits inside the sharing bag. This will rotate, so expect to see the bag once or twice this month. Thanks ahead for your cooperation.

Halloween Festivities

We will be celebrating Halloween at preschool on Thursday, October 31st. The children are invited to wear a costume to preschool that day. (No masks, weapons, or face paint) Ease of bathroom use and ability to dress without excessive adult help are other things to consider with costumes. Not every child loves to dress – up and that is okay. You might encourage them to wear Halloween colors or a special tee-shirt to celebrate with the class if they prefer. We will have special activities in the classroom and a Halloween themed snack.
