

November Newsletter

Room 204 – Mrs. Bomar

We are having so much fun at preschool! October went by so fast - it was jam packed with fun! It is so fun to watch your students interact as they play, learn, and grow. They are learning so much from one another.

November Learning Themes

In the month of November, we will work through three themes: voting/elections, me and my family, Thanksgiving and thankfulness. We will talk about the similarities and differences about our individual families, the size of our family, who lives with us, where we live and what we love to do together. We will discuss the importance of being thankful and how we can show appreciation to others every day.

Walking Through the Alphabet

We will continue our “walk through the alphabet.” Through letter sounds, recognition, and projects we will continue to strengthen each child’s pre-reading skills! We will also be working on our letter of the week pages. Please be sure to help your child think up words that begin with our letter of the week.

Week of November 4 – Kk

Week of November 11 – Dd

Week of November 18 – Ff

Routines

Weather Appropriate Outerwear: As the weather turns colder, please send your child to school with weather appropriate outerwear including a coat, hat, and gloves. When students start wearing snow boots please send a pair of shoes they can change into once inside the classroom.

Show and Share: We will start our Show and Share in November. Each month students will have the chance to bring something from home to show and share with their classmates. I will have a different theme each month. November’s theme is “Thankful.” Your child can bring something they are thankful for. It can be

a toy, a picture of someone, a book, etc. I just ask that you don't bring food and that whatever they bring can fit easily in their bag. Students will show what they brought, explain what it is, and tell us why they are thankful for it.

Nov 6 - Lily	Nov 14 - Sloan
Nov 7 - Greta	Nov 18 - Dane

Drop off & Pick up: Thank you for remembering to check your student in and out each day. This is very important for safety and for licensing as we have students in different places at different times of the day with the extended schedule.

Fall Conferences

We will have parent/teacher conferences the week of November 18th. Conferences should last about 15 minutes. We will be talking about how your student is adjusting to preschool, their social/emotional growth, and how they interact/play with classmates. I will also send home a questionnaire for you and your child to fill out before conferences. You will have the option to have conferences in person in the classroom or via zoom. I will be sending a link for a google doc sign-up soon.
