

OCTOBER NEWSLETTER

Room 204 – Mrs. Bomar

What a pleasure it has been getting to know your children! We have had a great start to the school year. Each child is beginning to settle into our classroom routine. They are learning and remembering classroom rules and expectations. They are such a friendly group and are working hard at taking turns, sharing, and making new friends!

October Learning Themes

Transportation (by land, air, water) and Pumpkins/Halloween: This month we will learn about various modes of transportation. We'll spend time learning about transportation on land, on water, and through the air. The last week of October we will focus on pumpkins and Halloween fun as we get ready for Halloween.

Show and Share:

This month we will begin our Show and Share schedule. I will send this schedule out later in October. Every rotation will have a different theme. Our first theme will be "My Favorite Things." Your child can bring something from home to show/describe and share with classmates. Please do not send food and items to be presented should fit into your child's preschool bag.

Routines:

Drop off & Pick up: Thank you for remembering to check your student in and out each day. This is very important for safety and for licensing as we have students in different places at different times of the day with our extended schedule.

Lunch: If you are bringing a lunch from home please remember to label the lunch box/bag with your child's name and our room number, 204. Lunch boxes should be dropped off in the bin at the top of the stairs each morning when you arrive at school.

October Volunteer Opportunities: We will have a Halloween celebration on October 31. If you would like to volunteer to help the students move through different activity stations from 9:00-10:00 please let me know.

Important Dates:

October:

10/1 - T-Shirt Tuesday! Wear your LHUMP T-Shirt to school
