

November 2024 Newsletter

Room 205 – Mrs. Beebe

It's hard to believe that November is already here. October felt like a whirlwind, but we sure had fun! I'm so impressed with the kids and the skills they have gained already in the past month and a half. The friendships that are developing are varied and delightful. Rather than seeing some kids pair up and play exclusively with one friend or another, I'm pleased to see them playing with different kids on different days and be excited to learn from and help each other.

November Learning Themes

In the month of November, we will explore four themes: patriotism, family, kindness and Thanksgiving. We will learn about voting and some patriotic symbols. We will discover similarities and differences about our individual families. We will discuss the size of our family, who lives with us, where we live, what we love to do together, ways we work together as a family and what traditions we celebrate. We will learn about the importance of kindness and how we can apply this skill each day.

Fall Conferences:

I am looking forward to meeting with each of you personally to discuss the social and emotional growth of your child. I will send a link to a conference sign-up Google doc in the beginning of November. The conference will be about 15 minutes either at school or via zoom. I will be sending home a questionnaire for you and your child to complete prior to our conference.

Walking Through the Alphabet

November letters will be as follows:

- Week of November 4 - Kk**
- Week of November 11 – Dd**
- Week of November 18 - Ff**

Junior Teacher

The Jr. Teacher lessons have been enjoyable and fun! A few lessons so far include how to pump legs when swinging, how to keep sleeves in place when putting on coat and how to draw a fox! If your child is unsure what to teach, maybe choose an activity or game your family likes to do together.

Ideas: games played with family, a skill learned from a family member, a different language spoken in family, etc. Please contact me with any questions.
