November Learning Theme

Our Cool Community! (Helpers, Professions, and Our Neighbors)

We will spend our month talking about people in our community. We will discuss

various helping professions. If you or someone you know has a profession that you think our students would enjoy learning about, please let me know if you'd like to come share your knowledge with them!

Playground Time

We head out to our playground everyday that it is not raining, so please send appropriate weather gear with your child. Little fingers get chilly, so mittens that keep fingers close together and hats that cover ears are great. We are working on the process of getting on our outerwear so students learn independence and cooperation skills. We will also try zipping zippers as we progress through the colder seasons. Please make sure your child is dressed appropriately to play outside and keep a change of seasonal clothing in their cubby.

Contact Us

Please don't hesitate to contact either Ms. Wright or Mrs. Schubloom as we are making this transition if you have any questions or concerns.
