

Mrs. Bomar's Preschool News

February 2025

This time of year is so fun with young children as they are so excited about the new friendships they have been making at preschool. It is a joy to watch each child grow and to see how caring and concerned they are for one another. We will spend time in February exploring the themes of friendship and kindness, and Fairy Tales. We will be working on a “kindness jar” in our room that will be filled with hearts (kind things they have done throughout the preschool day). Be sure to ask your child how they are helping to fill the jar with hearts. Hopefully by the end of the month the jar will be overflowing with kindness.

February Learning Themes:

Social Skills: We will explore how we can share, take turns, initiate playing with friends, and be a good sport when we win or lose a game.

Friendship and Kindness: What does friendship mean? What does kindness look like? How do we recognize and encourage kindness in each other?

Fairy Tales: We will explore some classic fairy tales and different twists on each one. We will compare similarities and differences between the stories.

Walking Through the Alphabet

We will continue our “walk through the alphabet.” Through letter sounds, recognition, and projects we will continue to strengthen each child’s pre-reading skills! We will also be working on our letter of the week pages. Please be sure to help your child think up words that begin with our letter of the week.

Valentine's Day Celebration:

We will celebrate Valentine's Day on Thursday, February 13th. The class will be exchanging valentines with their classmates (you will find a class list below). Please send a Valentine card for each child in our class with names printed boldly on the envelopes. This will help the children match names (sight discrimination) when they deliver their Valentine's cards. Please encourage your child to participate at whatever level they can in the project (signing their names independently, counting out supplies, picking out a special sticker for each friend, etc.) so that they are proud and excited to share their cards with their friends! We will be making Valentine bags in class where valentines will be "delivered."
