Room 202

Happy February!

This month we will be reading a few of our favorite books that explore building and creation! We will build a turtle shell, make clay and wooden sculptures, and build car ramps! The books we will dive into are The Box Turtle, Jabari Tries, Jabari Jumps, and Gus's Garage.

On Thursday, February 13th we will have a Valentine's Day party! We will reuse the boxes we made for the turtle shell for our Valentine's Day box. You are welcome/encouraged to bring Valentine's cards for the class or a small, non-candy item for your child to hand out to their friends. If you would like to volunteer for the party, please reach out to me.
