Valentines & Music and Movement

We'll be learning about love, friendship, and kindness through fun activities like making heartwarming crafts and singing songs.

Tips at home

- Teach **"Gentle Hands"** at home through modeling with family/ pets. Praising your toddler for times when they are gentle and redirecting during rough behavior will set clear and consistent boundaries for how we treat our peers!
- Pacifier Weaning: only providing pacifier for sleep or distressing times is a great first step!

Reminders

- Breakfast ends at 8:30AM
- Please make sure your toddler has 2 pairs of extra clothing in their cubby.
- We will slowly start discontinuing pacifiers in our classroom.
