

# MARCH NEWSLETTER

Ms Julia - Room 102

## Important Dates

March 15th: Margot's birthday!

March 17th - March 21st: Parent Teacher Conferences. I will be sending out sign ups during the first week of March

March 20th: First day of **Spring!**

\*We will be having a class spring celebration. If you would like to volunteer, please let me know. We will be doing a planting activity and making dirt cups

## Celebrating Our Successes: February

1. Came up with 10 ways to solve social conflicts and have been working hard to utilize our problem solving skills
2. Delivered Valentine's Day cards to The Waters and made their hearts happy!
3. Fell in love with reading

## Developmental Focus Areas

- Fine motor skills: dexterity and hand eye coordination
- Innovation and imagination
- Shapes and sorting
- Environmental awareness
- Vocabulary expansion

## Weekly Focuses

Week 1 and 2: TINKERTOWN!

Screwdrivers, Tape measures, hammers, you name it. Have an old gadget at home? Room 102 is going to learn how to take things apart and put them back together.

Week 3 and 4 : Feathered Friends!

As Spring approaches, our class will welcome back the migrating birds and learn more about our MN resident birds!

# MARCH NEWSLETTER

Ms Julia - 102

## Art Spotlight

Cardboard collage hearts for  
Valentine's Day!

## Classroom Materials

Our Tinkertown is going to need some things to tinker with! If you have any old gadgets, toys, or things that you are not using anymore, we would love them in 102!

Examples:

keyboards, phones, clocks, old remote controlled cars, flashlights, old radios, cameras, pulleys, levers, wind up toys

Thanks!

## Contact me!

You are always welcome to reach out to me with any comments, questions or concerns. I believe it is a team effort to help your child succeed!
