

Mrs. Bomar's Preschool News

March 2024

March is here already! 2025 is speeding by! We are having so much fun in our classroom. The students have been working hard on solving problems, being good friends, asking each other for help and caring for one another. They have all grown in many ways so far this school year.

March Learning Themes:

Author Study: We will explore children's books by Julia Donaldson and Karma Wilson

Signs of Spring: What happens when winter changes to spring? What do we observe that tells us spring is on the way?

Walking Through the Alphabet

We will continue our "walk through the alphabet." Through letter sounds, recognition, and projects we will continue to strengthen each child's pre-reading skills! We will also be working on our letter of the week pages. Please be sure to help your child think up words that begin with our letter of the week.

March:

Week of March 3 – Zz

Week of March 10 – li

Week of March 17 - Qq

Show and Share

Our March Show and Share theme is games! When it is your child's turn they can share a game to play. It can be a board game, cards, or imaginative game (hide and seek, I Spy, etc). The students will teach their classmates how to play the game. This will be great practice for listening skills, following instructions, taking turns, and winning/losing graciously.

Sharing Schedule

4 - Winnie
5 - Sloane
6 - Robin
11 - Lily
12 - Jack
13 - Greta
18 - Elliott
20 - Dane
24 - Cade
27 - Cora

Spring Conferences

I'm looking forward to having time to talk to you about your child's progress. Parents will have the option of meeting in person at school on Wednesday 3/19, or virtually via zoom. I will send a google doc with dates and time slots to sign up. This parent-teacher conference lasts about 20 minutes. I will be sending a note home in your child's bag asking for questions or concerns you want discussed at your conference, please return it by 3/6. Thank you!

Independent Goodbyes

Your students have been working on being independent. In class they are trying to solve problems before asking for help. They do a great job asking each other for help as well (instead of just coming to me). I encourage you to say goodbye to your child at the door each morning to practice these self-help skills. I am here to assist your child if they need it.
