

February Newsletter

February is "I love to Read" Month

Reading to young children is one of the most important things we can do to support their development. It helps build early literacy skills, expands vocabulary, and fosters a lifelong love of learning. Story time strengthens brain connections, enhances listening and comprehension skills, and supports social-emotional development by exposing children to different emotions, experiences, and perspectives.

Beyond academics, reading together is a special way to bond, spark imagination, and create lasting memories. Whether it's a bedtime story, a favorite picture book, or a new adventure, every reading moment makes a difference!

Let's celebrate "I Love to Read" Month by coming to LHUMP's first Barnes & Nobel Book Fair on Feb 1, 2025 at the Galleria from 9am-12pm. Teachers will be there to read and share some of their favorite stories for infants, toddlers, and preschoolers.

Each of the classrooms has created wishlists to help bolster our libraries. For purchases made in store during the book fair or online from 2/01/25 to 2/06/25 can enter Bookfair ID 12836391 at checkout and Barnes & Nobel will donate a percentage that will benefit our school. Thank you for your continued support!
