

Toddler Room 106

# March Newsletter

Happy March! February flew by with all the fun we had. From the book fair to Valentine's Day, we had a great time making memories. As we look forward to March, our themes will center around some March holidays including Women's History Month, St. Patrick's Day, and more in addition to themes about welcoming spring.

## **Important Classroom Information**

Spring conferences will be held in March. We are planning to hand out conference questions March 3rd, and then we'll be sending out the conference sign-up sheet on the 6th. Conferences for our classroom will be March 27th.

As the snow melts and we transition into rainier, wetter weather we ask you to send your child with extra clothes including: shirts, pants, socks, and underwear (if your child uses underwear). Feel free to send rain gear if you want and continue to send cold weather clothing including: a winter jacket, mittens/gloves, a hat, boots, and snow pants for when it snows just in case. We try to go outside whenever the weather is

appropriate, and even on days when it's nicer out, extra gear is helpful just in case! **Also, please make sure everything is labeled.**

## **Routine**

Please note: toddlers are not allowed on the climber in the muscle room (except for the tunnel). While the outside playground is available to families if they choose, the inside muscle room/climber has different rules.

Furthermore, to maintain consistency in the building, we ask that children are encouraged to start following the rules of the building whenever they are here. This includes using walking feet and inside voices while in the building.

As we continue with our school year, we maintain the expectation that you will be checking your kids in every morning and out at pickup. Please let us know of any absences, late arrivals, etc. so we can plan and communicate any necessary information accordingly. Remember to drop off and pick up your child's Lake Harriet bag everyday, we will continue using the bags to send home dirty clothes and other materials. Furthermore, we will use your kids' art folders to send home artwork. Anything that doesn't fit in the folder will be put in their bins.

## **Birthdays**

We will be celebrating birthdays throughout the school year. During this time, your child may bring a special snack to share with the class and their favorite book from home. We welcome family members to join us for a snack and read a book to the children while they eat.

Please reach out with any questions you have!

Best,

Erin Fernandez
