## Room 205 – Mrs. Beebe

Happy Spring! I hope you enjoy your spring break. Thank you again for participating in the spring conferences. It was fun to chat with you about all the wonderful things your child has been doing and learning.

### April Learning Themes

Spring is an exciting time of year in Minnesota! We will continue to discover what changes occur during spring. This will include learning about seeds, flowers, vegetables, trees and gardens.

#### Habitats:

We will also spend time learning about rainforests and oceans. We will explore where we find rainforests and oceans, what they look like, what lives and grows there and other fun facts. We will incorporate fictional and informational literature and our own experiences when learning about habitats.

#### Farms:

Near the end of the month, we will be learning about farms and farm life. Our dramatic play will be transformed into a Farmer's Market where the preschoolers can take turns being farmers/growers or consumers buying the goods.

### Walking Through the Alphabet

April letters will be as follows:

**Vv , Ll and Uu**

### Junior Teacher

I have been very impressed with the Jr Teacher lessons this year! Each child has been doing an incredible job teaching us and the rest of the class loves to be part of it! Each child will have one more time to be Jr Teacher before the end of the school year.

### Volunteer Opportunities

Our class will be planting seeds on Tuesday, April 8, and would love one or two parents to help. Please let me know if you are interested.

### Field Trip

We will be taking a field trip to the Twins Target Field on Thursday, April 17. Unfortunately, we will not be able to take chaperones for this field trip. Details will be provided later.

### Important Dates:

- 4/7 – School resumes
- 4/8 – LHUMP t-shirt
- 4/8 – Planting seeds
- 4/17 – Field trip to Twins Target Field

### Mark your calendar for Thursday, May 1

We will be having our Spring Program! More information will be sent to you soon.
