

Mrs. Bomar's Preschool News
April 2024

April showers bring May flowers...I hope! I'm hoping after break we will have more spring weather! This will allow us to do more outdoor exploration to find spring changes. We have lots of fun things planned for my 204 friends in April!

April Learning Themes:

Environments: We will spend April and the beginning of May learning about environments: rainforest, ocean, farm, and desert. What is unique in these environments? Who lives there? Where are they around the world?

Earth Day/Recycling: We will learn what Earth Day is, and how we can care for our environment.

Walking Through the Alphabet

We will continue our "walk through the alphabet." Through letter sounds, recognition, and projects we will continue to strengthen each child's pre-reading skills! We will also be working on our letter of the week pages. Please be sure to help your child think up words that begin with our letter of the week.

April:

Week of April 7– Vv

Week of April 14 – Ll

Week of April 21 - Uu

Week of April 28 - Review

Weather Appropriate Outerwear: It's hard to predict the weather this time of year. If there is snow on the ground please continue to send boots and snow pants each day. Even after the snow melts it will still be chilly so please send a hat and gloves/mittens as well.

Show and Share: The April theme for sharing is hobbies! Your child can bring something in to represent a hobby they enjoy. Everyone will have a chance to share with their friends something they enjoy doing. For example, if your child loves to swim they could bring goggles.

Parent Volunteer Opportunities:

I'm planning to have the students plant seeds in cups so we can watch them grow. I'd like to do it on Tuesday, April 22nd between 9-10am. I could use two helpers. If you are interested in helping please message me via BrightWheel and let me know.

Communication: If at any time you have questions or concerns, please message me through BrightWheel, email me at jbomar@lakeharrietumpreschool.org or call/text my mobile phone (612)562-0616

REMINDER! Please be sure to check your student in and out every day via the BrightWheel app!
