Spring Program & Celebration

We are excited to have all of our wonderful families join us to celebrate a joyful year of growth, learning, and community!

Infant & Toddler Playground Meet & Greet

4:45 – 5:15 PM

Infant and toddler families are invited to join us on the playground before the big show for a chance to connect and mingle.

Spring Program Performance

Begins at 5:30 PM

Preschool families, please drop off your child in their classroom by 5:15 PM. After drop-off, head to the church Sanctuary to grab your seat. The children have been working hard practicing songs all month and can't wait to perform for you!

After the concert, please have one family member check in with your child's teacher and collect your child from the Reception Room, located directly across the hall from the Sanctuary.

Playground Popsicle Party

Following the performance, weather permitting, the whole school is invited out to the playground for a popsicle treat to celebrate!

We warmly welcome all families and friends to join us outside for this fun spring gathering. Let's celebrate our children and the vibrant community we've built together!

Important Dates

May 1: Spring Program and end of year celebration!

May 22: Last day of regular preschool

May 23: Final STEM Friday

May 26: No School - Memorial Day

May 27: Beginning Summer Session

Contact us

As always, if you have any concerns, questions or comments, please share them with us. You may leave us a voice mail, email or talk with us at school.

As we welcome the month of May, we are filled with excitement and reflection. This is a time of growth, celebration, and transitions—and we're here to support your children and families every step of the way!

Transitions in the Classroom

As the school year winds down, our preschoolers, toddlers and infants are starting to experience natural transitions in the classroom—whether that's building independence, preparing for new routines, or wrapping up projects. Teachers are thoughtfully supporting these changes with familiar rituals, conversations, and engaging activities to help children feel confident and secure.

Transitioning to Kindergarten

For families whose children are headed to kindergarten in the fall, this is a bittersweet and joyful season. We're incorporating kindergarten-readiness skills into our curriculum—from self-help routines to group collaboration and early literacy. You'll see us supporting social-emotional growth, practicing more independence, and encouraging confidence in new settings.

If you have questions about the transition to kindergarten, we're here for you—feel free to reach out to your child's teacher or to Andrea.

The most important people in a child's life are that child's parents and teachers. That means parents and teachers are the most important people in the world.

Looking Ahead to a Fun-Filled Summer

We're getting ready for an exciting summer program! Our themes will include outdoor exploration, messy art, water play, and STEM-based fun. Whether your child is staying with us through the summer or moving on to new adventures, we look forward to a season of sunshine, joy, and continued learning.

Thank you for your continued partnership and trust. Your children bring so much light into our days!
