Spring is Here!

THANK YOU, TEACHERS!

May is Teacher Appreciation Month, and we want to take a moment to give a huge THANK YOU to Maren, Serennie, and Chelsea - the glue that kept the toddler rooms together while searching for the right candidates to join the team. Their patience and care make each day special for our little ones. We are so lucky to have them!

Reminders

Please clean out your child's winter gear from their cubbies and make way for sun hats! To help us keep track of your toddler's gear - please LABEL all of your child's belongings! We don't want to lose anything!

As we are entering sunscreen season, please start the day off by applying sunscreen in the morning, as the toddlers spend time outdoors shortly after morning arrival. Thank you!

EXPERIENCE CURRICULUM

This month we're trying out the Experience Curriculum, a play-based and hands-on learning approach that's perfect for curious toddlers. We'll keep you posted as we explore this new approach together!

WELCOME AND THANK YOU

We know that transitions can be a big deal for our toddlers (and for families too!), and we're grateful for your patience and support as we welcomed Drew to the classroom. It's been wonderful to see relationships forming and the classroom community continuing to grow.
