

May 2025 Newsletter

Room 205 – Mrs. Beebe

A very sincere thank you to all families for your support this year. It has been a privilege to teach your children and to watch them grow. I am looking forward to having a fun time together during the month of May!

May Learning Themes

Insects:

As we prepare for warmer weather, it is only appropriate we learn about bugs! We will become Entomologists and study a variety of different insects at preschool. We will discover what the insects look like, where they live, what they eat, and what makes them unique. We will also have live caterpillars/butterflies in our classroom! We will incorporate nonfiction and fiction literature into our learning about bugs.

Summer:

We will explore different activities that people do in the summer. This may include special vacations, day trips or eating special foods. Our dramatic play will be transformed back to housekeeping where we can pretend to cook, clean and take adventures with our friends!

Walking Through the Alphabet

The final letters in May will be:

Jj and Xx

Music Spring Program

Our preschoolers have been working hard on practicing songs for the spring concert! They are excited to perform for you on Thursday, May 1, at 5:30pm-6:30pm in the church. **Plan to drop off your child at our classroom at 5:15pm.** Celebration and treats after the program.

“Show and Tell”

We will wrap up the Junior Teacher lessons for the school year in early May. However, we plan to have a “Show and Tell” Day on Thursday, May 15. Everyone from our classroom may bring something to show on that date. Your preschooler can choose to bring in something special to show and be prepared to talk about the object/toy. Please remind your child that the item must be small enough to fit into the LHUMP school bag.

Important Dates:

5/1 – Spring Program 5:30-6:30pm. **Your preschooler should be dropped off at our classroom at 5:15pm.**

5/6 – Wear LHUMP t-shirt

5/15 – Show and Tell

5/22 – Last Day of Preschool

Communication: If at any time you have questions or concerns, please message me through brightwheel, email me at dbeebe@lakeharrietumpreschool.org or call/text my mobile phone.
