

# May Newsletter

Room 102 ~ Ms. Julia

## Little Wings and Wiggly Things

May is a time of growth for our students and our environment. As we near the end of the school year, it's been incredible to observe how much each child has grown in confidence, curiosity, and independence. We look forward to celebrating all they've accomplished this spring!

### Important Dates

- May 1<sup>st</sup> Spring Concert
- May 22<sup>nd</sup> - Last Day of school for part-time students
- May 26<sup>th</sup>: No School
- May 27<sup>th</sup>: First Day of Summer School

### Developmental Focuses

- Expanding Vocabulary
- Strengthening friendships
- Enthusiasm for learning
- Extended play
- Expressing ideas and observations

### Monthly Focus

We are excited to watch our caterpillars transform into beautiful butterflies! We'll also continue planting seeds as we get ready for spring. This month, we'll dive into learning all about bugs – from tiny crawlers to colorful flyers! Our dramatic play area now features a brand-new "Bug Hotel," where children can explore and imagine the wonderful world of insects.
