

May News—Room 206

Ms. VanDeBoom
tvandeboom@lakeharrietumpreschool.org

Important Dates

May 1st: Spring Sing! @ 5:30 in LHUMC Sanctuary

May 6th: Final T-shirt Tuesday

May 22nd: Last day of school!

May Learning Theme

Great Growth!

Our learning theme for May will be discussing growth—how we can impact the world around us and how it influences us as well. We will watch seeds sprout, go on insect scavenger hunts, and release our butterflies after they emerge from their chrysalides.

Gratitude

A very sincere thank you to all of you for allowing me to help your children grow this year. The strides they have made individually and as a cohesive group make my heart full. Students learned to express themselves, to problem solve, and to join in play. They found their voices in interacting with peers, developed social competence by following school and classroom rules, and acquired self-help skills they will continue to hone.

Whether it was your first year or you were a returning family to LHUMP, you made my year memorable by sharing your patience, trust, and optimism as we navigated our learning. My hope is that your children finish this year excited to continue learning, with fond memories of our time in Room 206. It has truly been a privilege watching your children bloom. Congratulations, kindergarteners!

Spring Sing!

We will gather in the LHUMC Sanctuary to sing beautiful spring songs Thursday, May 1. Please plan to drop your child off at our classroom at 5:15 and invite those individuals who are dear to your family. Students have been practicing singing with big voices and are excited to perform for you!
