2025

What We Will Learn

THEME: WELCOME!

All month we will discuss how we make social connections at school, the use of school materials, and expectations for our classroom cohort. Please note that each learning theme will incorporate opportunities for problem solving, critical thinking, and social emotional learning.

BATHROOM BIN & CUBBY

Please keep a full set of extra clothing in your child's bathroom cubby. Additionally, please send a pair of indoor school shoes that they can independently put on. This will minimize dirt throughout our classroom.

WATER BOTTLES

Water bottles labeled with your child's first and last name are now permitted at school, but must only contain water and must be taken home daily for sanitizing.

Brightwheel

CHECK IN & CHECK OUT

Upon arrival, you must check in your child using the brightwheel app. For their safety, it is crucial that your student is checked in and out each day with an accurate timestamp by a caregiver.

Volunteers

I always welcome parent volunteers! If you have a hobby or interest to share with our class or if you'd like to come assist with a craft or read a story, please do not hesitate to contact me. The door is always open!

Upcoming

- Pre-admission conference: 9/2
- First day of school: 9/3
- MEA break: 10/15-17
