With Ms. Sue

Welcome

I'm thrilled to welcome your children to our classroom! With over 20 years of experience teaching preschool and a degree in Elementary and Early Childhood Education from Minnesota State University, Mankato, I am passionate about supporting young learners as they grow and explore.

All About Me

I live in Bloomington with my husband, Mark. We have two wonderful children—our daughter lives in the Twin Cities, and our son, Joe, lives in Chicago. In my free time, I enjoy crafting, walking, and traveling.

Our Classroom

In our classroom, I strive to create a welcoming environment where every child feels safe, valued, and supported. I believe that young children learn best through hands-on experiences, so I intentionally design our space to be rich with opportunities for exploration, creativity, and meaningful play. Through engaging activities, open-ended materials, and child-led discovery, I aim to spark curiosity, foster independence, and inspire a lifelong love of learning.
